

Social Hour Instructions

**Sundays, 11am
(Summers Only)**

Please allow 40-45 minutes to prepare for Social Hour.

If you'd like to attend the 10am worship service, please arrive at 9:15 a.m.

Before Social Hour

1. Begin to make the coffee as soon as you arrive (each pot takes 12 minutes to brew). Make 1 pot each of regular coffee, decaf coffee, and hot water. Detailed instructions for using the coffee machine are located in the "How To" binder in the kitchen. Please also make a pitcher of lemonade.
2. While the coffee is brewing, set up the long table in the Common Room with coffee cups, sugar, creamer, tea bags, spoons, etc. These items are located in the cabinet to the right of the corner sink or they may be sitting out on the counter.
3. Once all 3 pots are done brewing, put them on the long table in the Common Room and head to the service!
4. Leave the service during the last hymn.

We ask that you do not bring food to social hour. Instead, please concentrate on making the drinks, setting up the table, and enjoying the company of old friends and new visitors.

During Social Hour

5. Start the dish sanitizer at the beginning of social hour, so it has time to heat up.
6. During social hour, check for anything on the tables that needs to be replenished.
7. If one of the coffee (or hot water) pots seems to be getting low, begin brewing another pot.
8. As people return mugs to the kitchen, load the dish sanitizer racks and, when full, run the dish sanitizer. Detailed instructions for running the dish sanitizer are located in the "How To" binder in the kitchen.

After Social Hour

9. At the end of the social hour, return all items to the kitchen.
10. Wash out the airpots and run mugs, plates, and silverware through the dish sanitizer. Detailed instructions for cleaning the pots and running the dish sanitizer are located in the "How To" binder in the kitchen.
11. Put the dishes and airpots back where they belong.
12. Empty the bowl of used coffee grounds in the compost bin on the south side of Pioneer House. (The quickest way to get there is to go out the exterior door located by the Potter Room.) Rinse the bowl and put it back on the counter next to the coffee machine.
13. Please wipe down the counters and make sure the kitchen is clean and neat.

Thank you for hosting. This is an important part of our hospitality.
